Dear Supervisors:

**REQUEST APPROVAL OF TAX RATE LEVY FOR THE FISCAL YEAR 2006-07
VOTER-APPROVED FIRE PROTECTION DISTRICT SPECIAL TAX
(ALL DISTRICTS) (3 VOTES)**

**IT IS RECOMMENDED THAT YOUR HONORABLE BOARD, ACTING AS THE GOVERNING
BODY OF THE CONSOLIDATED FIRE PROTECTION DISTRICT:**

1. Adopt the attached resolution fixing the Fiscal Year 2006-07 tax rate for the Consolidated Fire Protection District of Los Angeles County voter-approved special tax to levy the special tax in Fiscal Year 2006-07 at the Fiscal Year 2005-06 rates.
2. Instruct the Fire Chief and the Auditor-Controller to take all actions necessary to implement the special tax levy for Fiscal Year 2006-07.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the attached resolution will authorize the Fiscal Year 2006-07 levy of the Consolidated Fire Protection District's (District's) special tax at the same rates as the Fiscal Year 2005-06 levy. The rate for a single family home would be \$49.93, with rates for other property use types as specified in the attached resolution. Special tax revenues are utilized in maintaining essential fire suppression and emergency medical services throughout the District.

Increases in the property tax revenues in recent years have helped fund the emergency service growth needs of the District, particularly in the northern part of the County. And, with the anticipated growth of property tax in Fiscal Year 2006-07, funding will be available to meet our continued fire protection and emergency service demands, such as the conversion to a paramedic assessment engine in Rancho Palos Verdes and the future expansion of services in the high-growth areas of the Santa Clarita and Antelope Valleys, and also address the recently approved negotiated salary and employee benefit increases. As a result of our commitment to prudent business and fiscal management, with the assistance of a steady real estate market, this is the fourth year that no increase in the special tax levy is recommended.

Independent Citizens' Oversight Committee

The Independent Citizens' Oversight Committee (ICOC) met on August 2, 2006, and made the legally required annual finding that the District is using the special tax funds only for providing fire protection and emergency medical services. Their report will be forwarded to your Board prior to the August 15th Board meeting. In addition, at the August 2nd meeting the ICOC voted to unanimously support the recommendation to maintain the special tax rate at the Fiscal Year 2005-06 level.

Implementation of Strategic Plan Goals

This action is consistent with the Strategic Plan Goal of Fiscal Responsibility, as levying the special tax for Fiscal Year 2006-07 at the same rates as the Fiscal Year 2005-06 levy will continue to provide essential revenue to the District that will be used to maintain fire protection and emergency medical services. It also satisfies the Strategic Plan Goal of Service Excellence, as approving this action will provide funding for continuous, quality fire protection and emergency medical services throughout the District.

FISCAL IMPACT/FINANCING

The District's adopted Fiscal Year 2006-07 Budget reflects \$57.9 million in special tax revenue, which is the estimated revenue of the special tax when levied at the existing Fiscal Year 2005-06 rates.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

California Health and Safety Code Section 13911 and California Government Code Section 50075 et seq. authorize the levying of the special tax. Your Board's approval of the attached resolution will levy the special tax at a rate of \$49.93 per single family home, with rates for other property use types as specified in the resolution.

County Counsel has approved the resolution as to form.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Levying the special tax rate at \$49.93 per single family home, with rates for other property use types as specified in the resolution, will maintain essential funding to continue providing fire protection and emergency medical services to the residents of Los Angeles County protected by the District, while maintaining the financial stability of the District.

Respectfully submitted,

P. MICHAEL FREEMAN
